As part of our programme, our youth group meet up weekly, where they have an opportunity to catch up, as well as follow on in our unique fun filled programme which is well received by our young people. Our weekly meetings take place each Sunday evening in our new premises, Iona Business Park, Southway, Derry from 7.00pm-9.00pm

Our aim for young people who participate in the Search Programme, is that they will aim towards reaching the 'Self-Actualisation' stage. This is the point where young people have the confidence in themselves to strive towards meeting their own needs and the needs of others around them.

Search is not a club, organisation nor a cult. If you read through this website you will find a list of the services we offers. These include things like self help groups, educational classes and weekend retreats.

If at any stage you have any questions please do not hesitate to send us an email or fill out our contact form.
